Alloy Brewing Company
2700 Coon Rapids Blvd NW

Check-In Starts at 6pm
Bags Fly at 7pm
Pre-Register Online

\$20 PER PLAYER - TWO PLAYER TEAMS
\$5 SPECTATORS

About the event:

The 1st annual “Brews & Bags for Batteries” event will take place on Tuesday, July 16th at Alloy Brewing Company in Coon Rapids. It will feature a bean bag toss tournament with 16 teams (32 players – players must pre-register online), games/door prizes, a food truck on site, cash bar, and a photobooth for entertainment. The estimated attendance is 120. All proceeds from this event will go to support neighbors in need of car repair services and costs to repair donated vehicles. Your contribution is 100% tax deductible/nonrefundable.

Impact of your contribution:

For every \$10,000 raised we can impact the lives of 60 individuals; men, women, AND children. Many of us take having a vehicle for granted but it can make all the difference. Employers want to know that their employees can get to work on time; without a working vehicle they may not be considered for a promotion or could lose their job. And, those with children want to be sure their young ones can participate in extracurricular activities. A car is not a luxury, rather a means to improving their lives.

About Cars for Neighbors:

The mission of Cars for Neighbors is fostering independence by providing car care. Located in Anoka County, MN, Cars for Neighbors is a 501(c)(3) nonprofit organization that aids neighbors seeking economic self-sufficiency. We provide assistance with car repair services, and we also donate vehicles to clients referred to us by social workers at local nonprofits we partner with such as Alexandra House, The Dwelling Place, Stepping Stone Emergency Housing, Family Promise In Anoka County, etc. We do this so neighbors in need can get to work, take their children to medical appointments, and participate in educational opportunities. This is achieved through a small organizational structure with many strong and critical partnerships and numerous volunteers. We pull this network together to help neighbors become more self-sufficient, restoring hope one car at a time. Since inception in 2000 we have been able to donate over 1,040 vehicles and repair over 3,700.

Sponsorship Levels and Benefits:

Sponsor Name	Level	Spectator Tickets	Drink Tickets	Website	Social Media	Poster	Event Recognition
